OUR MISSION – David R. Metcalf Invisible Wounds Foundation serves the Naval Special Warfare and Special Forces communities by addressing the impact of brain injury through early detection, innovative assessment and improved care solutions for active-duty military personnel, Veterans and their families. Working alongside clinicians and the Naval Special Warfare community, we address the impact of Traumatic Brain Injury (TBI) and Chronic Traumatic Encephalopathy (CTE) through clinical research and programming designed to advance brain health care for the well-being of our military and their families.

SEPTEMBER 12, 2022 ★ WHITE EAGLE GOLF CLUB ★ NAPERVILLE, IL

Join us for the second Annual David R. Metcalf Golf Classic on Monday, September 12, 2022, at White Eagle Golf Club, 3400 Club Dr. in Naperville. The Golf Classic will celebrate the life and work of U.S. Navy Lieutenant Junior Grade (LTJG) David R. Metcalf.

We hope you will join us to support and raise awareness of how CTE, TBI and PTSD affect Veterans, active duty military personnel and their loved ones.

The Golf Classic will feature a scramble format with a shotgun start. Lunch will be served prior to the shotgun start. Cocktail reception and auction with heavy hors d'oeuvres will begin promptly after golf. We will have raffle prizes, an awards ceremony and much more. Specific start times will be announced this summer.

\$2,000 PER FOURSOME / \$550 PER GOLFER *INCLUDES GOLF CART*

- Lunch
- Cocktail reception and auction with heavy hors d'oeuvres

COCKTAIL RECEPTION & AUCTION ONLY - \$250 PER PERSON

SEPTEMBER 12, 2022 ★ WHITE EAGLE GOLF CLUB ★ NAPERVILLE, IL

Dear Friend of our Veterans,

On January 2, 2019, I lost my husband, U.S. Navy Lieutenant Junior Grade (LTJG) David R. Metcalf, to suicide. He was a wonderful, devoted husband and father, who always put his family, teammates and community before himself. Dave was humble and generous. It wasn't uncommon for him to lend an ear to his teammates, or even buy groceries or pick up a dinner tab for complete strangers. He was always willing to help.

Before Dave passed away, he wrote me a letter that outlined all of the signs of trauma and the personal struggle he was experiencing that others could not see. He discussed in detail symptoms that align with Traumatic Brain Injury (TBI), Chronic Traumatic Encephalopathy (CTE), and Post-Traumatic Stress Disorder (PTSD). Upon sharing his message with his closest teammates, I was surprised to learn that they all understood his feelings and had similar experiences. It was at that point that I decided to make it my mission to help others facing the same afflictions.

I hope to see you at the Second Annual David R. Metcalf Golf Classic at White Eagle Golf Club on Monday, September 12. Our goal is to raise awareness and funds to address the impact of brain injury through David's story with the hope it can help support the well-being of Veterans, active duty military personnel and their loved ones.

God Bless America,

Jamie

Jamie Metcalf

About TBI & CTE

Traumatic brain injury (TBI) is a sudden injury that causes damage to the brain. It may happen when there is a blow, bump, or jolt to the head—known as a closed-head injury. TBI can also happen when an object penetrates the skull—known as a penetrating injury.

Chronic Traumatic Encephalopathy (CTE) is a degenerative brain disease found in athletes, military veterans, and others with a history of repetitive brain trauma. At present, CTE can be diagnosed only by direct examination of the brain during an autopsy.

OUR MISSION – David R. Metcalf Invisible Wounds Foundation serves the Naval Special Warfare and Special Forces communities by addressing the impact of brain injury through early detection, innovative assessment and improved care solutions for active-duty military personnel, Veterans and their families. Working alongside clinicians and the Naval Special Warfare community, we address the impact of Traumatic Brain Injury (TBI) and Chronic Traumatic Encephalopathy (CTE) through clinical research and programming designed to advance brain health care for the well-being of our military and their families.

U.S. Navy Lieutenant Junior Grade
DAVID R. METCALF
March 27, 1976 - January 2, 2019

Dave Metcalf was a decorated combat veteran with three tours in the Pacific region and Iraq and one final tour in Afghanistan. His military accolades include the Navy and Marine Corps Commendation Medal (with Gold Star and Combat C designation), Navy and Marine Corps Achievement Medal (with Silver Star and Combat V), Combat Action Ribbon (with Gold Star), and Iraq Campaign and Afghanistan Campaign ribbons, as well as multiple unit and service awards.

While growing up in Marietta, Georgia, Dave was an avid sports enthusiast who excelled in swimming, wrestling, and martial arts—all of which made him an ideal candidate for military service. Dave joined the Navy in 2000, rising to the occasion and fulfilling his childhood dream of joining the elite ranks of the Navy SEALs in 2002. He received the esteemed designation of Honor Man in his BUD/S class, 236.

Due in part to his great passion for learning, Dave grew to be a natural educator. Following his many combat tours with Teams, he was chosen as a SEAL Combatives Instructor, a role in which he taught fellow SEALs hand-to-hand combat techniques. In 2014, Dave realized he wanted to do even more to help others, so he applied for and was accepted into the highly selective Interservice Physician Assistant (IPA) Program. During his time in the IPA Program, he tirelessly studied medically related areas of science for the eventual purpose of saving lives.

In 2016, Dave received a Bachelor of Science degree and a Master's in Physician Assistant Studies from the University of Nebraska Medical Center. Following graduation, he was commissioned as a naval officer and was assigned to serve as a Physician's Assistant to the 8th Marine Regiment at Camp Lejeune in North Carolina.

On the way to achieving his impressive military and personal accomplishments, Dave met the love of his life, Jamie Manuel Metcalf in 2011. They married in April 2012 and welcomed their son Franklin "Frankie" Thomas Metcalf in October 2016. Although Dave excelled at anything in which he was involved, his greatest achievement and source of immense pride was being a loving father and devoted husband.

Dave is remembered for his selfless service to his family, his teammates, the Navy and the United States.

Even though Dave left us far too soon, he will not be forgotten. He remains forever in our hearts and his legacy lives on in his son and those family, friends and teammates who had the immense honor of knowing and loving him. He epitomized integrity and decency, and his principled life will be remembered. U.S. Navy Lieutenant Junior Grade David R. Metcalf overcame much, accomplished even more, sacrificed for all, and loved unconditionally. He truly lived.
